

Yale Multi-Disciplinary Endocrinology and Metabolism Retreat

Friday September 13, 2013
West Campus Conference Center

8:00 am *Continental Breakfast*

8:15 **Welcome**

Robert Sherwin, M.D., CNH Long Professor of Medicine and Section Chief, Endocrinology

8:20 **Interdisciplinary Research & Yale Mission**

Robert Alpern, M.D., Ensign Professor of Medicine and Dean, School of Medicine

FIRST SCIENTIFIC SESSION—HORMONES and CANCER

Moderator – Hugh Taylor, M.D., Anita O’Keeffe Young Professor and

Chair of Obstetrics, Gynecology & Reproductive Sciences

8:30 Karl Insogna, M.D., Professor of Medicine (Endocrinology)

8:55 Xiaoyong Yang, Ph.D., Associate Professor of Comparative Medicine and Cellular & Molecular Physiology

9:20 Tobias Carling, M.D., Ph.D., Associate Professor of Surgery and Section Chief, Endocrine Surgery

9:45 Clare Flannery, M.D., Assistant Professor of Obstetrics, Gynecology & Reproductive Sciences and
Medicine (Endocrinology)

10:10-10:30 *Tea and Coffee Break*

SECOND SCIENTIFIC SESSION—PATHOGENESIS and TREATMENT OF TYPE 1 DIABETES MELLITUS

Moderator – Bill Tamborlane, M.D., Professor of Pediatrics and Section Chief, Pediatric Endocrinology

10:30 Stewart Weinzimer, M.D., Associate Professor of Pediatrics (Endocrinology)

10:55 Li Wen, M.D., Ph.D., Senior Research Scientist in Medicine (Endocrinology)

11:20 Kevan Herold, M.D., Professor of Immunobiology and Medicine (Endocrinology)

11:45 Vishwa Deep Dixit, Ph.D., Professor of Comparative Medicine and of Immunobiology

12:15-1:45 *Lunch and Poster Session*

THIRD SCIENTIFIC SESSION—METABOLISM and TYPE 2 DIABETES MELLITUS

**Moderator – Varman Samuel, M.D., Ph.D., Associate Professor of Medicine (Endocrinology) and
Chief of Endocrinology, WHVAMC**

1:45 Yingqun Huang, M.D., Ph.D., Associate Professor of Obstetrics, Gynecology & Reproductive Sciences

2:10 Nicola Santoro, M.D., Ph.D., Associate Research Scientist in Pediatrics (Endocrinology)

2:35 Matthew Rodeheffer, Ph.D., Assistant Professor of Comparative Medicine and
Molecular, Cellular & Developmental Biology

3:00 pm *Reception and Poster Awards*
